Author(s):

The authors hereby assign copyright in this article to Iranian Journal of Veterinary Science and Technology (IJVST) for use throughout the world. In particular, this provides IJVST with the exclusive right:

- to publish the final version of the article, and to distribute it and/or to communicate it to the public, either within the Journal, on its own, or with other related material throughout the world, in printed, electronic, or any other format or medium whether now known or hereafter devised;
- to make translations and abstracts of the article and to distribute them to the public; to authorize or grant licenses to third parties to do any of the above;
- to deposit copies of the article in online archives maintained by IJVST or by third parties authorized by IJVST.

The authors of this paper authorize us to act on your behalf to defend the copyright in the article if anyone should infringe it and to register the copyright of the article in any country, if necessary.

In the case of a multi-authored article, this form must be signed by corresponding author who confirms that she/he is authorized by co-authors to assign this copyright on their behalf.

The article will be published under the Ferdowsi University of Mashhad Press open access policy. This means that the article will be made freely available online for non-commercial use immediately upon publication.

This form must be completed, signed, and sent to Iranian Journal of Veterinary Science and Technology (IJVST) editorial office. We will not publish the article without completion and return of this form. Please fax a copy, or email a scanned copy, or send the ORIGINAL to us at the following address:
